

# READING THE BIBLE BY COMPARING OLD AND NEW TESTAMENT BOOKS

**-- Look at:** The connections between the Old and New testament. How is God's plan consistent throughout the two testaments? What principles are consistent?

**🗨 Look for:** Comparison and contrasts. What is the same? What changed between the two?

- ❑ Compare *Proverbs* in the Old Testament to *James* in the New Testament both very practical and about wisdom.
- ❑ Read *Isaiah* about the Coming King and then *Matthew* about the King of the Jews. Look for prophecies from Isaiah fulfilled.
- ❑ Compare *Leviticus* about the priesthood with *Hebrews* and Jesus' priesthood.
- ❑ Compare *Exodus* and *Leviticus* about the law with *Romans and Galatians* and what they say about law.
- ❑ Compare the Prophecy books of the Old Testament of *Joel, Zechariah* to the Prophecy book of the New Testament, *Revelation*.
- ❑ Compare the earthly priesthood and sacrifices in *Leviticus* to Jesus' priesthood and sacrifice in *Hebrews*.
